

Drowning of Tot Mars July 4th Holiday Here; Save Second Youngster

A 3-year-old boy was drowned when he fell from a pier into Channel Lake Sunday afternoon. Later the same day a 2½-year-old boy was pulled unconscious from the waters of Petite Lake and revived by artificial respiration.

The drowning victim was little Glenn Richmond, 8729 N. Olcott ave., Niles, who with his parents was spending the holiday at Shunneson's Resort.

His father, James, told police he left the boy on shore while he went for a swim. When he returned, the youngster was gone.

The body was recovered by a human chain, organized by Adam Skrzenta and Ralph Buikema of the sheriff's water patrol.

Rescuers walked hand-in-hand through the water until the boy's body was found.

Buikema and Chief Deputy Sheriff Charles Larson gave artificial respiration, but were unable to revive the child.

A coroner's jury was sworn in at the Strang Funeral Home for a future inquest. The body was then removed to Chicago for services.

The child rescued from Petite Lake the same day was Bruno Jezewski, Jr., Mission Hills, Calif., who toppled from a pier near Cypress Resort.

He was under the water for eight minutes before his body was recovered by Ken Smith, Downers Grove, and Conrad J. Trotsky, Maywood.

Trotsky revived the youngster by breathing into his mouth.

Meanwhile other rescuers pulled the child's grandmother, Mrs. Victoria Jazwiec, 58, of Chicago, from the water after she jumped in to search for the missing boy.

The Antioch Rescue Squad administered first aid to Mrs. Jazwiec, who was in a state of shock. She and the boy were both taken to Victory Memorial hospital in Waukegan.

Boy, 8, Falls 50 Feet; Lives

The rescue squad siren blew in Antioch Tuesday afternoon in honor of Jimmy Haley's dramatic 50-foot plunge from a tree.

After 8-year-old Jimmy, of Trevor rd., recovered in St. Therese hospital in Waukegan Tuesday night he commented:

"Mom, I'm never going to trust that tree again."

His mother, Mrs. Thomas F. Haley Jr., said she looked from her kitchen window just in time to see a flurry of branches fall.

Then 11-year-old Edward rushed into the house and called, "Jim fell out of the tree and he's just lying on the ground."

Mrs. Haley said Jimmy "was blue and his eyes were glassy" when she reached his side. She called members of the Antioch Rescue Squad, who administered first aid.

Hospital officials said Jimmy suffered a bad fracture of the right arm and strained back muscles.

"He got a good jolt, but will be up and around in a few days," his doctor said.

Water Traffic Light Over 4th

Despite the fact that thousands of visitors converged on the lakes resort area over the July 4th weekend, water traffic was reported no heavier than the previous weekend.

A few boating mishaps, mostly minor collisions, were reported.

Lt. Edward Galarno, operations officer for the Chain-O-Lakes Water Patrol, attributed the small number of accidents to the joint efforts of the Chain-O-Lakes patrol and the sheriff's water patrol.

He said the two organizations, working as a single unit, kept five boats in the water and were assisted by the sheriff's department plane which circled overhead and watched boat traffic.

Galarno said the Fourth of July celebrations in Antioch, Fox Lake, and other lakes communities kept a number of people, who might normally be boating, on dry land during a large part of the holiday.

Resurfacing Scheduled For Antioch-Zion Road

Work will begin soon on resurfacing 11.51 miles of Rte. 173, between Antioch and Zion, the Illinois Division of Highways has announced.

Low bidder for the \$173,915 bituminous concrete paving project was Skokie Valley Asphalt Co., Inc., Des Plaines.

New Antioch Parking Experiment Nettles Most Downtown Merchants

Downtown merchants have expressed disapproval with Antioch's new parking ordinance.

In a cross section interviewed Wednesday noon, every person questioned said the plan was "working a hardship" on Main street businesses.

Murrill Cunningham, village president, said he personally is receiving both complaints and favorable comments — mostly complaints — from stores and business people.

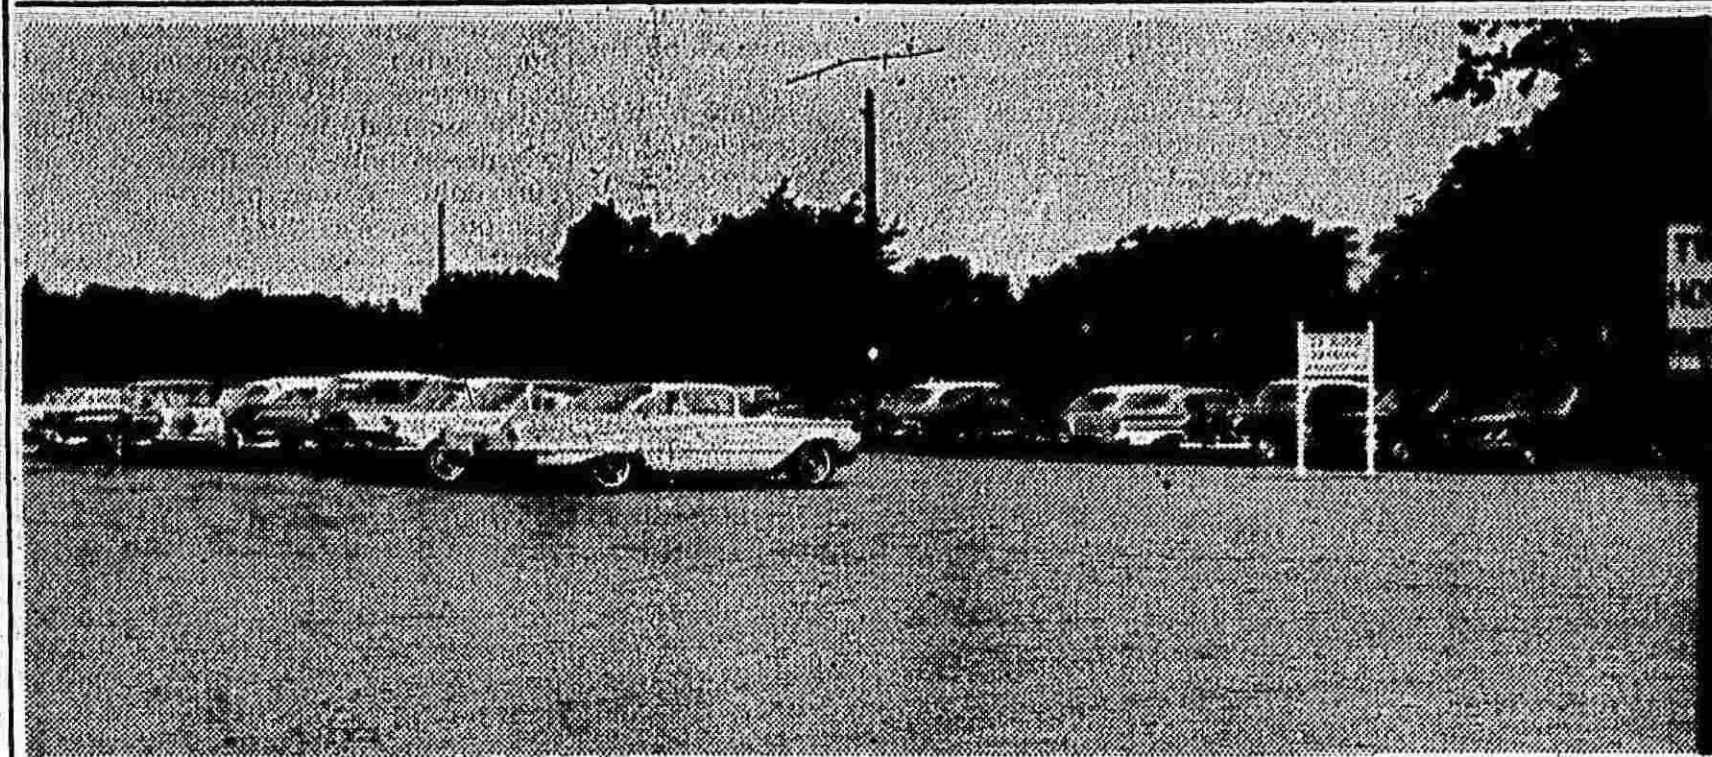

"I think it's a good law and will work out fine," he said. "I am in the trucking business, and will be affected by it as much as anyone."

The new law prohibits double parking of trucks to make downtown deliveries, and limits parking in metered zones for loading or unloading to 15 minutes on Main and Lake streets.

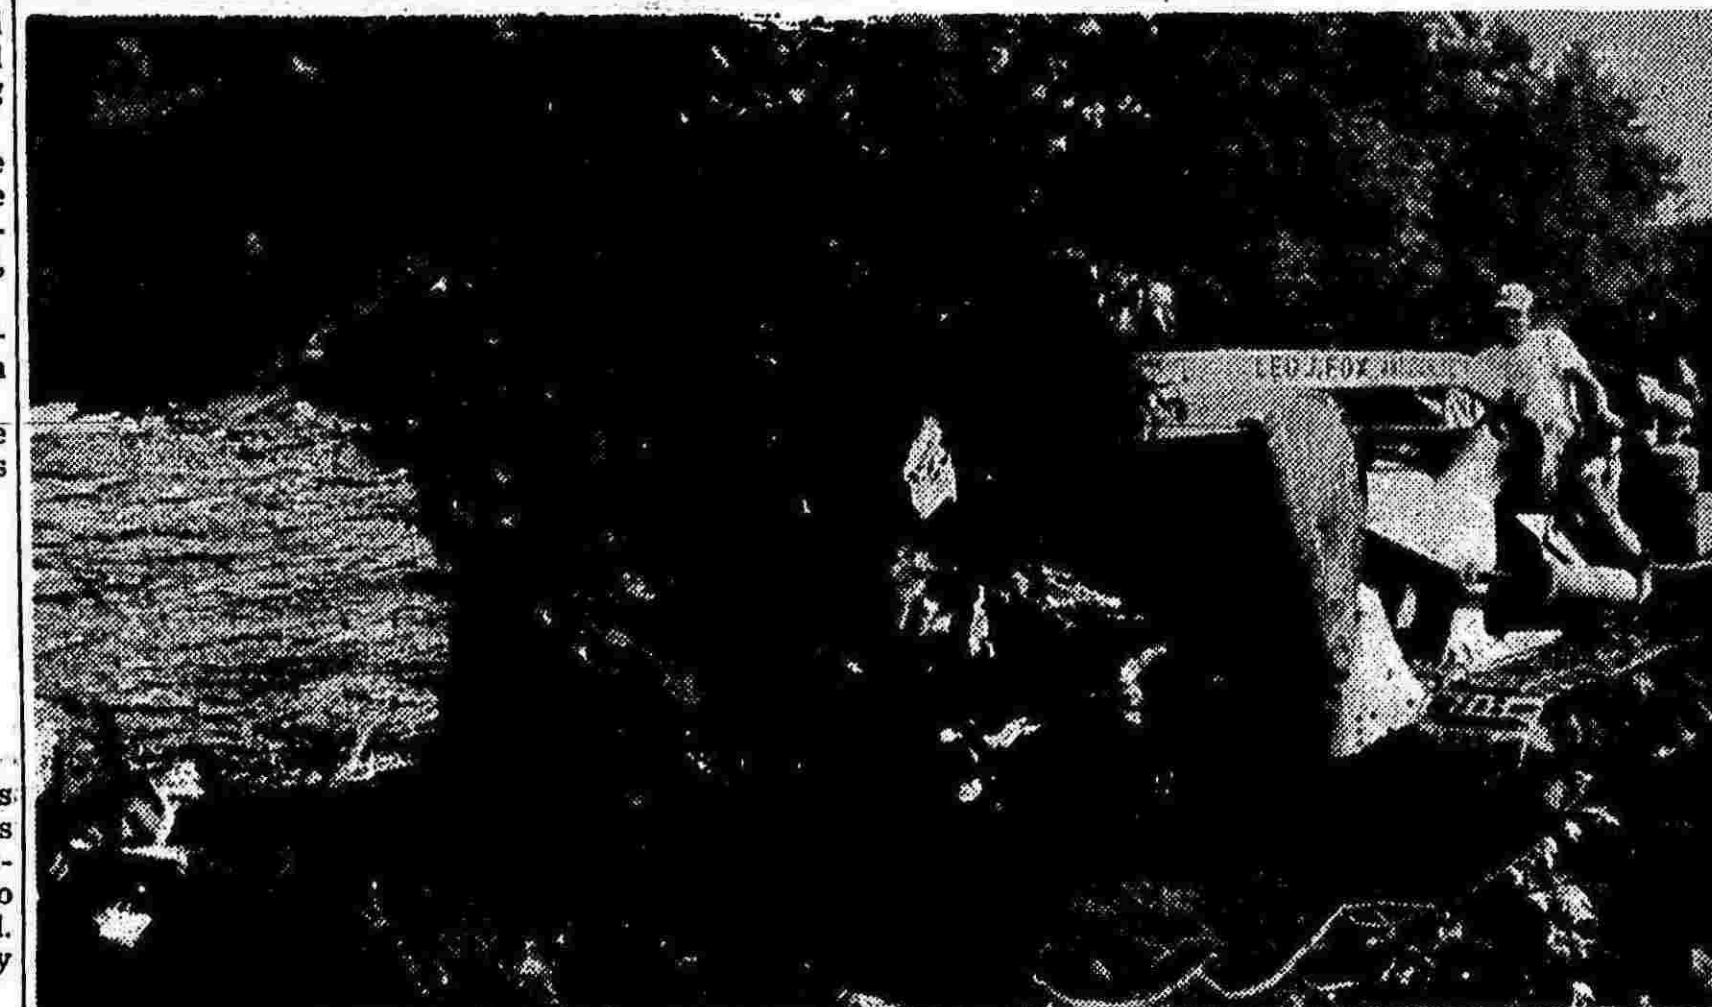

Here are typical comments from downtown merchants:

Robert Wilton, of Wilton's Electric Shop, 924 Main—"It is a hardship for us, handling refrigerators and stoves. There is no way to unload them. Big semis can't get into the alley, and we can't close the shop, run around to Broadway,

Acquire Land for Expansion Of Sewer Plant in Antioch

PARKING LOT TIME LIMITED. Here are signs erected by the village of Antioch in the municipal parking lot west of Broadway, as the result of a village ordinance passed early in June setting up parking limits. Two hour parking is permissible between Broadway and a point 200-feet from that street. Beyond that 200-foot point one may park a car or truck all day. Police are checking the 2-hour limit area periodically. The area east of Broadway in back of the Main street stores already has a 2-hour parking limit. Signs saying that have been in place there for some time. (Antioch News photo)

ANTIOCH HAS BIG TREES? If there was ever any question whether some trees in Antioch have big root formations, perhaps this photo will decide the issue. This picture was taken last week as workmen felled trees on the lot between the post office building and the Jewel Food store parking lot in preparation for the erection of a two-story building in the vacant lot. Some idea of the size of the root mass can be obtained from comparison of it with the tree trunk and with the bulldozer working in the background. The new building is expected to house the local Ben Franklin store and one other business. (Antioch News photo)

Antioch and Lakes Region Belted By Worst Rain Storm in Six Years

Antioch and Lakes Region residents were still cleaning up their yards this week after Saturday night's sudden storm that whipped in with more than two inches of rain and a 60-miles-per-hour gale.

Trees were uprooted, hundreds of branches were down, television antennae were toppled, streets flooded and several minor fires started.

In the Channel Lake area, electric power was off for five hours, and stores had a run on candles. Many homes, serviced by wells with

electric pumps, were without water.

Wind and lightning cut off power to some 500 Public Service Co. customers in the Antioch, Zion, and Winthrop Harbor areas.

The Public Service Co., alerted in advance, had 12 crews totaling 50 men standing by when the storm hit. Accompanied by two "tree crews" they worked around the clock to restore service.

Police Chief Walter Scott in Antioch said six streets were blocked by fallen trees or wires.

They included Victoria st., Main st. north of Depot st., Park Ave., Arden st., Lake st., near David, and First st., at Winsor dr.

The business area acquired a romantic atmosphere when restaurant patrons had to eat dinner by candle-light.

Antioch weather observer Roy Kufalk said 2.1 inches of rain fell during the storm.

Deep water on Depot and Lake streets halted traffic until the rain subsided.

Fire and rescue squad sirens sounded at the height of the storm, and firemen in their raincoats and fire hats helped re-route traffic during the downpour.

On the Wisconsin side of the line, Martin Jensen, service superintendent for the Wisconsin Electric Power Co., termed the storm "the

worst batting around we got since the storm of July 6, 1954."

A number of windows were reported blown out in Wilmet.

Part of Silver Lake was without electricity for seven hours; a broken power line at Camp Lake showered the area with sparks, and a foot of water flooded Wilmet rd.

Power company crews worked from 7:30 p.m. Saturday until 7:30 p.m. Sunday.

Stock car races at the Kenosha County Fairgrounds speedway in Wilmet were called off after the storm.

The torrents of rain, hail and lightning hit after cars had already qualified for the races. In a matter of minutes the track was under two to four inches of water, and the cars became mired in mud at their starting positions.

Honor Congresswoman At Tea Here July 15

The Antioch Township Republican Women's Auxiliary will sponsor a tea honoring Marguerite Stitt Church, congresswoman from the 13th district.

It will be held July 15, from 2 to 4 p.m., in the W. C. Petty home on Spafford street.

All area women are invited to attend and meet Mrs. Church, who is seeking re-election to congress.

Nick Keller Dies at 66

Nicholas J. Keller, former Republican state representative from Lake county, died Tuesday in his home following a heart attack.

Mr. Keller, who was 66, resided on Rte. 42 just south of Zion.

He served in the state legislature from 1936 to 1950.

At the time of his death he was a member of the Illinois Commerce Commission.

Raising Money For Project to Be Discussed

An important issue that has been pending for about 2½ years was brought to an unusual climax—via Czechoslovakia—at Tuesday night's meeting of the Village Board of Antioch.

The acquisition of about 11 acres adjoining the village disposal plant site was announced. The deed to the land had to be sent to the property owner, traveling in Europe, for signature.

The meeting came to order promptly at 8 p.m., but without the usual sound of the gavel, which was missing. Village President Murrill Cunningham presided undaunted by its absence, using his knuckles to rap attention.

A bond issue for the sewerage plant expansion was debated.

The important news that the land had been acquired and that the project could now be started met with approval of all board members present.

For some time now state authorities have demanded the present plant be expanded because of its inadequacy, but the land was not available, according to Cunningham.

A particular area suffering is Oakwood Knolls where there is no sewerage system. It is a part of the Village of Antioch and will be included in the new plant expansion.

The next step in the project will be a meeting to discuss the appropriation of funds and decide whether a special assessment is necessary.

Present at the opening of the meeting were representatives of interested bonding companies, awaiting the engineer's estimate. Harry J. Wilson, his own financing company; Marvin Birchfield representing Ballman & Main; and Warren Wright for the firm of Benjamin Lang, briefly stated their appearances.

City Engineer David Miller submitted an approximate estimate of \$½ million.

This, however, is not to be accepted as the official estimate until, as Cunningham stated, "I will appoint a committee of four men who may then meet with the various bonding companies for further discussion."

Later he announced those men would be Ernest Glenn, David Nissen, Herman Holbek and John Blackman.

The idea of special assessment seemed to be controversial as Wright's suggestion to avoid it by charging outright a flat fee for connecting to sewer mains from Oakwood Knolls. He also cited some examples of his knowledge in Wauconda to the members of the board.

Village Attorney Edward Jacobs stated there was no other way than a special assessment for the appropriation as far as he was concerned.

Cunningham said that the people in Oakwood Knolls could not pay a flat sum at one time as easily as they could one spread over a period of time.

Jacobs also stated that the first thing to do was find out the extent of their bonding power. It was then suggested that Miller be authorized to act as engineer, based on his estimate, to expand the plant disposal.

Miller also pointed out that the plant has to be built on the anticipated growth of Antioch in the next 25 years, to which Bernard Osmond replied he would like to see it built and take care of the present situation.

In other actions the trustees:

1. Referred to the liquor committee the issuance of a license for the place known as Bussie's, 895 Main st.

2. Commended the fine job of cleaning up after the storm Saturday by the street department and fire department.

3. Referred to the salary committee the request for increase in pay for the telephone answerer of the fire department.

The meeting was adjourned with a familiar sound, the gavel. Edgar Simonsen found it just in time.

Russell Homan and daughter, Ellen, attended the funeral of Mrs. Ernest Aslan in Chicago on Tuesday. Mr. Aslan is Mr. Homan's employer.

Walter Dibble Dies Tuesday

Walter I. Dibble, 81, of 285 Chestnut st., Antioch, died Tuesday in Condell Memorial hospital, Libertyville.

Born Dec. 20, 1878 in Salem township, Mr. Dibble lived in the Antioch area all his life.

He was a retired farmer and carpenter.

Surviving are his widow, Minnie Solis Dibble and a brother, Frank, of Antioch.

Services will be today (Thursday) at 10 a. m. in the Strang chapel, Dr. Calvin Midgley of the Church of Jesus Christ of Latter Day Saints officiating.

Burial will be in Evergreen Cemetery, Central City, Ill.

Friends may call at the funeral home until time of services.

Niles Man Injured In Lake Marie Boat Blast

A Niles man, John Healy, was burned about the arms, legs, and stomach Sunday when his 19-foot cabin cruiser exploded and caught fire on Lake Marie.

Healy told Sgt. William Davidson of the Chain-O-Lakes Water Patrol he and his dog were crossing the lake in the boat when Healy noticed a strong odor of gasoline.

He said he headed for shore, and the boat exploded as it neared the beach.

The dog jumped to safety, but Healy suffered first- and second-degree burns. The boat was destroyed.

Antioch firemen, who extinguished the fire and administered first aid, took the injured man to a Fox Lake physician.

Mother of 5 Succumbs Of Accident Injuries

A rural Antioch mother of five, Mrs. Janet E. Stolnack, Lake Shari-La, died Tuesday as the result of accident injuries.

Mrs. Stolnack, 32, suffered hands and face cuts and back injuries June 23 when her car missed a curve in Pleasant Prairie near the Knobby Lobby tavern, skidded 100 feet, and struck a utility pole.

Kenosha Coroner Edward Wavro ordered an autopsy to determine the exact cause of death.

Mrs. Stolnack, a conductor for the North Shore railroad, was on her way to work when the accident occurred. She died in Kenosha hospital.

DEAR READER News Editorials

New Parking Plan Must Be Adjusted

The Antioch Village Board, in quietly adopting a new parking ordinance, seems to have stirred up a nest of enraged hornets.

Almost to a man the merchants on Main and Lake streets, where delivery trucks are now prohibited from double parking, say the new plan is working an extreme hardship.

It has created an impossible situation for some merchants who deal in large bulky items, such as kitchen appliances, and have no back door loading facilities.

And at least one delivery service, United Parcel, which makes numerous small stops the length of the street, has threatened to discontinue service to merchants on the two streets.

Village President Cunningham feels the plan is a good law that will work out fine.

We agree that the plan is basically good, because something was needed to ease the downtown parking situation.

But no ordinance should be such that it will work a hardship on one of the community's major groups of property-owners and tax payers.

No favoritism should be shown, to be sure. But perhaps a certain hour could be designated for street deliveries — a slack period from 9 to 11 in the morning for example. At any rate, some adjustment must be made in the parking plan if it is going to work.

Courthouse Notebook—

BY LOU DURKIN

It will be interesting to see what if any steps are taken by Mayor Robert Sabonjian and the city officials of other Shore communities to keep the county seat and courthouse in Waukegan.

Advocates of the transfer of the seat of county government to a more central location appear more insistent and better organized than ever before and it is just possible they will catch the political and business leaders of Waukegan, North Chicago, Zion, and other cities along the shores of Lake Michigan napping.

Those who favor moving the courthouse are using the need for more parking space as their principal argument, but certain it is that there is just a little yearning for the extra prestige and commerce that goes with being the county seat.

Apparently the civic leaders in Waukegan are unaware of the benefits which accrue to the city because it is the county seat, or else they fail to see any real danger that it will be shifted.

The Lake county health department and its able director, Dr. Arthur G. Baker, deserve a word of praise for calling a county-wide meeting to bring into the open the sewage disposal and pollution problem that has already reached serious proportions and is bound to get worse as the county continues its growth.

Dr. Baker's suggestion that a survey to determine the feasibility of a county-wide sewage system seems sound, but it might be wise to check the county records and see if a similar survey hasn't been made in the past.

Governments of all levels are frequently disposed to make a survey or study of some problem and then pigeonhole the report until pressure develops again for correction.

The first step then is to conduct another study or survey without checking the old report to see if it still has merit.

State Representative W. J. Murphy probably will get more support for his bill to legalize bingo for fraternal and charitable organizations than he got in the last session of the Illinois General Assembly, particularly in view of the current confusion concerning gambling.

The fuss over alleged wide open gambling in Lake county today seems a little ludicrous to anyone with the slightest memory of conditions 10 to 12 years ago.

At that time every tavern in rural Lake county was well-equipped with slot machines, punchboards, fish bowls, dice tables and other ways to separate the sheep from their wallet contents.

Some people would like to see those conditions return, but it is extremely unlikely that they will for many years to come at least.

Flagrant organized violation of the gambling laws is detrimental to the morals and morale of a community, but the constant harping about non-existent "organized" gambling weakens instead of strengthens the fight against it.

It would seem that the grand jury, the courts, and the state's attorney's office could do the county a better service by cracking down on drunken and reckless driving which is causing more physical and economic suffering than the scattered gambling that might be going on in the county.

The traffic toll in Lake county for years has been a disgrace and no little responsibility can be traced to failure on the part of the state's attorney's office and the courts to convict those drivers whose carelessness has taken the lives of innocent people.

Coroner Robert H. Babcox has waged a one man educational crusade against reckless driving with solid results and the Lake county safety commission headed by Pat O'Connell has done constructive work in educating drivers, but some guys you just can't educate except behind bars.

Parfitts Surprised by Friends at Breakfast

The Fourth of July started off with a bang Monday for Mr. and Mrs. Joseph Parfitt, who were also celebrating their 35th wedding anniversary.

Bright and early a group of friends arrived at their home on Channel Lake Shores, laden with breakfast foods, coffee, and anniversary gifts.

The surprise breakfast guests included Mr. and Mrs. Irving Elms, Mr. and Mrs. John Gaa, Mr. and Mrs. Robert Pincombe, Mr. and Mrs. Harold Wilson, Mr. and Mrs. Harold Kleven, Mr. and Mrs. Leslie Heath, and Mr. and Mrs. Clarence Larson.

Also Mrs. Helen Luedtke, Mrs. Richard Kirschbaum, Mrs. Mabel Weber, Mrs. Robert Brown, Herbert Pauli, Emil Kirschbaum, and Grandma Kulp.

Moose Head Visits Ellens on Holiday

Mrs. Stella Bortman, past president of the College of Regents of the Women of the Moose, was a weekend guest at the summer home of Mr. and Mrs. David Ellen, Woodcrest subdivision.

Mr. and Mrs. Harlan Smithling and their children, of Waterloo, Iowa, and Mr. and Mrs. Claude Harris, Chicago, were also weekend guests of the Ellens.

Mr. and Mrs. David Mitchell, Felter's subdivision, celebrated the Fourth of July with the birth of their first child—a baby girl, 5 pounds, 6 ounces, born in St. Therese hospital. Mrs. Mitchell is the former Marge Nowicki.

Mr. and Mrs. David Runyard, Lake Ave., are the proud parents of a baby boy, Michael Jeffrey, born on June 29 in St. Therese hospital. Michael weighed 6 pounds 11 ounces at birth. He is the Runyard's first child. Mrs. Runyard is the former Nancy Ballitz of Lake Villa.

The Happy Eight Club met at the home of Mrs. Clarence Spiering on June 23. A delicious luncheon was served. Those who attended were Mrs. William Frey, Mrs. Frank Hennig, Mrs. Robert Hess, Mrs. Harry Weiss, Mrs. Julia Schmitt, Mrs. Theresa Krantz and Mrs. Marie Sima.

Sun-Side Improvement Group to Erect Street Signs; Hold Picnic

By Mrs. Pearl Kappel
Phone Antioch 1837

CHANNEL LAKE—At a meeting of the Sun-Side Improvement Association the members voted to hold the annual picnic despite the ban on bingo and other fund-raising games. The picnic will be held as usual on Labor Day week-end.

Members also voted to put up street signs throughout the subdivision. Mrs. Henry Kubicki was appointed to procure the signs. George Grunow and Kenneth MacBain volunteered to make a large signboard, to be erected on the parkway at the entrance to the subdivision, listing the names of all residents who are members of the association.

Officers of the association who served last year were re-elected for another year. They are: President, Emil Frozeth; Vice President, Henry Kubicki; Treasurer, John Skurdanis; and Secretary, Joe Goldberg.

Mr. and Mrs. Frank Hennig attended a graduation party for their grandson, Roland Hazeltine, in Chicago on June 25. Roland graduated from Schultz high school and plans to attend Wright college in September. He is the son of Mr. and Mrs. Dan Hazeltine.

A car driven by Ray Chinn went out of control just south of the bridge on Lake avenue and plunged into the channel on July 1. The four occupants of the car were uninjured. The car sustained considerable damage.

Mr. and Mrs. Earl Tryon of Chicago, parents of Mrs. Loretta Miller of Grapevine Ave., were injured

in a three-car accident in Chicago on June 12. Mr. Tryon died of his injuries on June 14. Mrs. Tryon, released from the hospital last week, is now making her home with her daughter and family. Mr. and Mrs. Tryon were coming home from a golden wedding anniversary party when the accident occurred.

"You never miss the water till the well runs dry," is an old saying of which many of us were forcibly reminded Saturday night, when the storm knocked out the electricity for as long as five hours in some areas. Stores had a run on candles and both merchants and homeowners peeked apprehensively at freezers and refrigerators plentifully stocked for the weekend, and wondered how long the food would stay cold. Water, pumped by electric pumps, was the thing we missed most. No wonder people talked to each other more in "the good old days!" There just wasn't anything else to do. Did you (as I did) forget that electricity was necessary to run the TV (or some other appliance) and start to turn it on?

When Mr. and Mrs. Ed Baumann flew to Waverly, Iowa, last Saturday, they were forced by the storm to "set down" at an airport along the way. By the time they had enjoyed a leisurely dinner, the storm had passed, and they flew to Waverly to spend the Fourth of July weekend with Mr. and Mrs. Hank Youngquist and family.

Mrs. Baumann entertained about 17 women at a plastics demonstration party on June 30.

Wilmot People Hold Showers, Big Reunions, and Parties Over Fourth

By Mrs. Herman Frank
Phone Underhill 2-2752
WILMOT, Wis.—Mr. and Mrs. Lyle Teichert entertained Larry Wert, Bassett; Walter Stopa, Wilmot; James Teut, David Steingraber, Larry Recknagel, Ruth Teut, Diane Bublit, Bonnie Miltz, Burlington, Diane Stopa, Beverly and Linda Rausch and Gail Roberts of Wilmot, Wednesday for the 14th birthday of their daughter, Terry. They all enjoyed swimming at Camp Lake and lunch was served.

Mrs. Floyd Gyger, Sr., and Sandra St. John, Mrs. Dan Fleming, Mrs. William Scott, Mrs. Jessie Johnson and Mrs. Herman Frank celebrated the birthdays of Mrs. Josie Johnson and Mrs. Violet Schroeder at Mrs. Schroeder's Thursday, with a pot luck dinner.

Mrs. Charles Clark, Richmond, Ill., entertained 27 friends and relatives Saturday at the home of Mrs. Alex Schubert, Wilmot, in honor of Barbara Schubert who will be married July 23 at Peace Lutheran church in Wilmot, to Larry Nolte.

Mr. and Mrs. Chet Noertker, Goshen, Ohio, Tom Madden, Roscoe, Ill., Mr. and Mrs. John Hasselman, Kenosha, spent the 4th of July at the Schubert-Albrecht home.

Mr. and Mrs. Clyde Wright, Ringwood, Ill., were Wednesday callers of Mr. and Mrs. Harvey Brown.

Wilmot Methodist W.S.C.S. will conduct a bake sale July 9 on the lawn by the Frank Kruckman store if weather permits, otherwise in the church basement Sunday afternoon.

Mr. and Mrs. Edward Tichy and family, William Searfoss, Barrington spent Saturday with Mrs. Elsie Elverman.

Mr. and Mrs. Herman Frank spent Friday evening with Mrs. Ella Leutten and Amelia Sandburg, Burlington.

Mrs. Clarence Greenwald, Salem, spent Thursday afternoon with Mrs. Elsie Elverman.

Mr. and Mrs. Nello Pinzi and family of Connecticut called on Mr. and Mrs. Marlin Schnurr Thursday.

Mr. and Mrs. Earl Hyde, Genoa City, spent Friday with Mr. and Mrs. Frank Kruckman.

Mrs. Alex Schubert and Barbara

and Larry Nolte spent Thursday evening with Mrs. Elsie Elverman. Adolph and Hannah Neuman, Racine, spent July 4th with Mr. and Mrs. Gust Neuman.

Mr. and Mrs. Louis Anderson, Crystal Lake, spent Wednesday with the Frank Kruckmans.

Mr. and Mrs. Gust Neuman and Fred Rieman were Sunday supper guests of Ella Neuman, Lake Geneva.

Mrs. John Ehler, Mrs. Millie Rush and Mrs. Cyril Pacey called on Mrs. Herman Frank Friday afternoon.

Mr. and Mrs. Ray Johnson, Rivera Beach, Fla., called on Mr. and Mrs. Cyril Pacey Sunday.

Bob Gill and sister, Agnes, of Waterford were Sunday supper guests of Mr. and Mrs. Cyril Pacey.

Mrs. John Ehler and Mrs. Millie Rush spent Friday with Mr. and Mrs. Cyril Pacey.

Mr. and Mrs. Richard Frank and Ralph, Hilbert's Subdivision, were 4th of July dinner guests of Mr. and Mrs. Herman Frank.

4-H Photography, Horse Projects Are Popular

Nearly one-fourth of the 656 projects conducted by the 400-Lake county agricultural 4-H Clubs are either photography or horse and pony.

These two projects tie for first place in project interest among the 4-H members, there being 75 members enrolled in each.

There are 18 boys and 57 girls enrolled in the horse and pony projects and 33 boys and 42 girls with photography projects.

Second place in project interest are the home and commercial vegetable garden projects. Twenty-two boys and 24 girls are enrolled in these.

Close behind gardening in project interest are the dairy projects in which 31 boys and 12 girls are keeping records.

Home grounds improvement and handicraft projects share the fourth place interests with 41 members enrolled in each of these.

Other projects carried by the 400 Lake County 4-H members and the number enrolled in each are:

Dog care, 35 members; wild life conservation, 34 members; poultry, 32; sheep, 28; rabbit, 28; forestry, 27; electricity, 20; beef, 17; bird study, 17; auto maintenance, 16; swine, 15; also entomology, 15; gardening indoors, 10; baby sitting, 8; corn, 8; potato, 3; goat, 3; soil improvement, 3; small fruits, 2; concrete, 2; small grain, 1.

Vernon Burdick Ends Phone Repair Course

Vernon A. Burdick
FORT GORDON, Ga.—Army recruit Vernon A. Burdick, son of Mr. and Mrs. Roy E. Burdick of 280 North Ave., Antioch, Ill., recently completed the telephone installation and repair course at the Southeastern Signal School, Fort Gordon, Ga.

During the eight-week course Burdick was trained to install and repair many types of stationary and field telephone equipment.

The 23-year-old soldier entered the army in January 1960 and completed basic training at Fort Hood, Texas.

Burdick is a 1956 graduate of Antioch high school and was employed by the Illinois Bell Telephone company, Libertyville, before entering the army.

Antioch Pair Help Save Boy

John Belongia, 19, and Frank Burger, 18, both of Antioch, with a sailor from San Diego, saved a ten-year-old boy who fell into the bay in that city recently, reports from the California city said.

The boy was Raul Allen of San Diego who was saved by Ray Feightner, 28, an electrician's mate second class, and the two Antioch men.

Raul Allen fell into the bay from a seawall while fishing with Roy Steven Garcia, 8, of San Diego. Roy said Raul tried to step around him on the seawall when he slipped.

Burger said he heard the boy hit the water. He and Belongia ran to the wall and Belongia jumped in the 10-foot deep water. Raul was under water and limp when he grabbed him, Belongia said.

Belongia said he forced the boy's head above water and he, Burger and Feightner hauled Raul out. Feightner began artificial respiration.

"I pulled his tongue out of his throat and then with one push got about a quart of water out of him," Feightner said. "Then he began to breathe pretty good."

A clipping from a San Diego news paper sent to Arthur Fortmann of Antioch told of the event. Apparently the article was sent by a former Antioch resident.

Trunk K, Highway 50 Paving Work Planned

PADDOCK LAKE, Wis.—Paving of Kenosha county trunk K, west of U. S. highway 45 was expected to start with the completion of final grading and seeding of shoulders and ditches. The latter was under way last week.

White Construction Co. has the contract for installation of a two-coat, high-type bituminous concrete surfacing.

This firm also has the contract for repaving of Wisconsin state highway 50 from Kenosha county trunk B near Silver Lake to U. S. highway 45.

Do you know what social security means to you if you are severely disabled and have worked at least five years under social security before becoming disabled? Here is the good news. Monthly benefits may be paid to you at age 50, to your wife at age 63 or at any age if she has children under 18 or an adult child whose disability began before reaching 18.

Local Boy Helps Rescue 2 People

Hugo Holbek, 13, of Antioch, a 15-year-old Rhinelander, Wis., boy and a Wassau, Wis., couple on a camping trip, helped rescue a Milwaukee man and woman whose boat had overturned while they were fishing.

The incident took place on Lake Thompson when the Milwaukee pair were thrown into the water and clung to the boat until help arrived. George Fredrickson was the Rhinelander boy involved.

His home is on Lake Thompson. Holbek was staying at the Holiday Acres resort and the Milwaukee people also had been vacationing there.

Central Hi District Meet Set for July 18

PADDOCK LAKE, Wis.—Annual meeting of Joint School District No. 1 will be held at Central high school in Paddock Lake at 8 p.m. Monday, July 18, for the election of school district officers, district clerk Richard F. Hartnell announced.

The school district includes the towns of Brighton, Bristol, Paris, Salem Wheatland, Pleasant Prairie and Somers.

Voting hours on July 18 will be from 6 to 8 p.m.

Using lambs to glean corn fields before and after harvest can bring a farmer an extra \$14 to \$38 an acre.

Always reduce speed when approaching a curve. Once into a curve safely, speed gradually can be resumed. Strict observance of curve warning signals would eliminate many serious traffic accidents.

Are you planning to retire? Your social security office advises "Inquire before you retire." Contact your social security office and find what proofs are needed to complete your individual claim.

25 Years Gone Over the Dam—

Or What a Whale of a Difference
A 'Few' Years Can Make to a Girl

By Mrs. Pearl Kapell

With countless graduation exercises taking place all over the country, the immutable laws of relativity are probably striking innumerable people all over the land, as they sit patiently, tearfully, enjoyably or irritably through the programs, according to their various natures.

I'm not referring to Einstein's theory—at least, I don't think I am. I've never figured out what that is, and I'd be very suspicious of anyone who could—he's probably a disguised member of a super-race from Mars, or some such outlandish creature.

Not knowing what it is, I can't positively state that isn't what I mean, but I don't think so. I'm sure you follow me—don't you?

Every year, oddly, graduating classes get younger, the people with whom we graduated age shockingly—all except ourselves, that is—while, strangely enough, people

whom we regarded as old when we were of an age to graduate from anything, also grew younger.

For example, say you have an uncle who is forty years old at the time you graduate from high school. He is, obviously, a tired old man, and you would not be surprised to hear that he had passed on to his heavenly reward at any time.

AS FAR AS you're concerned, that's what happens to old people, and what in the world has anyone that old got to live for, anyway? Obviously, a person that aged could not really enjoy living.

Thirty years later you meet him again.

(I don't know where he's been for that 30 years—off hunting for the Fountain of Youth, probably.)

(But I know where you've been—working, raising an ungrateful spendthrift family, and acquiring gray hair and 30 extra pounds.)

Paradoxically, this man who was old 30 years ago, has now become a healthy, youthful, interesting man only 70 years old.

THE YOUNG people who are graduating this year were babes in arms only yesterday. They certainly have no business graduating from anything. You feel quite sure they could not possibly have managed, somehow, to crowd eight or 12 years of school into one day.

Your estimate may be slightly at variance with school records, but your memory is still darned good—you think—and it was certainly only yesterday that these kids were babies.

This strange affliction, this annoying unreliability of time and people, affects even young adults in high school.

Any senior can tell you that the freshman class this year was made up of the smallest, youngest children ever to enter high school.

Can and will tell you, and insist it is true, even if statistics prove that every class is taller and heavier than the preceding one.

Figures aren't very reliable, anyway. The freshman class, they can tell you, is also gigglier, sillier, more stupid and more unmannerly than they were.

THIS IS ALSO the time of year when alumnae associations get in their dirty work. No matter how many times you move, and despite the fact that your name may have

YOUR NEIGHBOR MAY ADVISE YOU
HOW TO FIX YOUR TV

WHEN IT COMES TO SOCIAL SECURITY, GET THE FACTS FROM YOUR SOCIAL SECURITY OFFICE. If you have worked under social security but are now too old to work, ask your social security office about disability benefits for you and your dependents.

been changed by marriage, this is one group that always knows your address. An ardent alumnae association is much more efficient in finding missing persons than any detective agency.

One day you open an innocent appearing envelope in your mail and read, "Dear Classmate. Our class is celebrating the 25th anniversary of our graduation from high school."

You smile, and think, "Oh, this isn't for me. Must have been my mistake."

You look at the envelope, you look at the return address, you do some quick mental figuring, you get a pencil and paper and figure again, and then you feel as though someone had dumped a pail of cold water over your head. The sun quits shining, the birds quit singing and you wish all alumnae associations were in Timbuctoo.

IT IS FOR YOU, it is your class, and it is, indeed 25 years.

Should you be foolish enough to return to the scenes of your early education after an absence of many years, you will be confronted with another amazing paradox.

The rooms and the buildings have shrunk, while maintaining all their former contours. Kind of like a cheap shirt, laundered in hot water.

In this smaller building, they have, for some silly reason, made the stairways longer and steeper.

The assembly hall, which was so dreadfully long if you were ever forced to walk the length of it alone in the dead silence of an assembly, under the eyes of your classmates, is only half as large as it was.

THOSE SHORT flights of stairs which you dashed lightly up and down a dozen times a day now stretch interminably before you.

When you point these differences out to those of your classmates who have spent the intervening years near the old school, and visited it frequently, they laugh and tell you the building is exactly as it was.

Obviously, age is affecting their memories rather badly.

I really think, if people will persist in being so undependable—even the very young—I shall have to refuse to attend any more of these functions.

It is depressing to find even old friends and buildings so unreliable.

'My Boy and His Dog'

How often in memory I see them again, My boy and his dog, as they were then.

What would I not give for the transient power To pluck from the past just one golden hour;

To stand once again by the window and hark To the boy's young laughter and the dog's eager bark.

But the hours so fleeting, of swift days the spawn, Are here like ripples, glinting sunlight, then gone

As Time steers us onward through uncharted ways Into dawning tomorrows out of waning today.

And my boy has grown to a youth tall and strong While that playmate of childhood long since has gone.

I watch manhood waking with pride and yet, when He steps into place as a man

among men, I'll still turn with yearning to life's memory log And see them as then—my boy and his dog! Copr.—Pearl Kapsa—1960

Backing into a curbside space requires a sharp lookout through the rear window for approaching traffic. Often, in crowded areas, the driver following you doesn't know you're going to park, so be sure to signal him.

Does Your Set Have Antenna-itis?

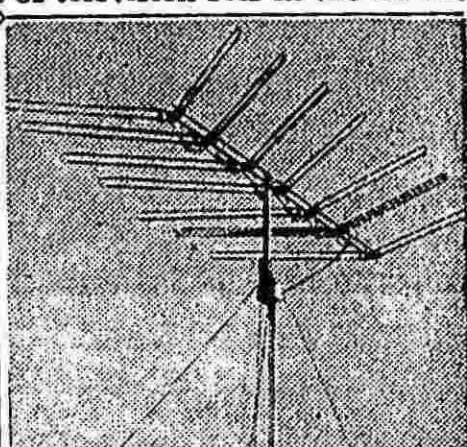

There's plenty of good television going out over the airwaves these days, but many families aren't getting the benefit of this entertainment. According to the experts, one reason for this may be "antenna-itis," an increasingly common malady, which affects approximately 50 percent of television sets in the U.S.A.

Many set owners can recognize the symptoms of "antenna-itis" only too well—dull, weak picture; disturbing double images or "ghosts"; eye-straining "snow" that makes the picture fuzzy and difficult to watch. But before throwing out the old television set, it's a good idea to check the TV antenna, which may be suffering from deterioration or damage that makes for poor pictures.

According to Harold Harris, vice-president of Channel Master Corporation, world's largest manufacturer of TV antennas, most TV viewers have replaced their original sets several times. But many of these same people are still using their original outside TV antenna.

Antennas, like anything else, suffer from age, says Harris. They are exposed to the ravages of snow and sleet, wind and rain. A damaged antenna, he reports, can mean that the set, no matter how good, just can't pick up the picture properly. "The best set available," reports Mr. Harris, "won't perform properly without a good antenna, and a good antenna can often make a poor set perform better. If your antenna is more than three years old, it should be checked. Because loss of picture is often gradual, most people aren't aware of how bad their reception really is."

There have been great advances in antenna design over

the past few years, Mr. Harris reports. Today's models are more powerful and can bring in pictures strong and clear, even in "fringe" areas far away from the broadcasting station. Development of the Traveling Wave, or T-W antenna, by the Channel Master Antenna Research Laboratories was a great breakthrough in this respect. What antenna is best for a given area? Only a local serviceman who knows local reception conditions thoroughly can give an intelligent answer. But thanks to antenna research which has resulted in more than 100 different antenna types, each designed to meet a specific reception problem, practically anybody can get top flight reception.

That's why Mr. Harris recommends that viewers with poor TV pictures check for "antenna-itis" first.

Topics for Today's Women

Loon Lake Couple, Wed June 18th, Home from Smoky Mountains Trip

On Saturday, June 18, Miss Lucille Anne Carrick and Robert John Giebelhaus were united in marriage at the Faith Lutheran Church in Antioch. The Rev. R. P. Otto performed the double ring ceremony, in which the bride was given in marriage by her father.

The bride is the daughter of Mr. and Mrs. William Carrick of Loon Lake, Antioch, and the groom's parents are Mr. and Mrs. Donald Giebelhaus, also of Loon Lake.

The bride chose for her wedding a ballerina length gown of white lace over taffeta, with short sleeves, fitted bodice and full skirt. Her shoulder veil was caught to a headpiece of silk edged with seed pearls and she carried a sheath of white gladiolus.

Miss Janet Graham, of Waukegan, attending the bride as maid of honor, wore a ballerina length gown of yellow organza and she carried a colonial bouquet of yellow roses.

Miss Jill Anderson, of Antioch, as bridesmaid, wore a pink gown similar to that of the matron of honor, and she carried a colonial bouquet of pink roses.

Serving the groom as best man was Maurice E. Gerard, of Waukegan, an uncle of the bride. Kenneth Hellstern and Kenneth Appleby, of Antioch, were the ushers.

A reception at Smart's Country House was held for friends and relatives, following the ceremony.

The young couple is now at home at 1904 10th St., Waukegan, following a honeymoon trip to the Smoky Mountains.

W. C. Pettys Return From the West Coast

Mr. and Mrs. W. C. Petty of Spafford st. have returned home from Los Angeles, after a combined business-pleasure trip.

Petty, superintendent of Lake county schools, attended the 98th annual convention of the National Education Assn.

He and Mrs. Petty took the opportunity to visit with their son, Frank, who is on the Los Angeles County Board.

Lady Republicans Invited to Tea And Reception

Christmas in July? So it appears for 13th Congressional District Women's Republican club board members as they mail over 2000 invitations and membership cards for the special tea and reception planned for July 28.

Mrs. Richard M. Nixon, to be special guest of honor that day, heads a list of 400 distinguished Republican women invited.

The Charles Gates Dawes home in Evanston will be the setting for the late afternoon party.

In charge of arrangements for the combined Cook-Lake county party are Mrs. Bert K. Murphy of Evanston and Mrs. Ori Marshall, Deerfield.

Also expected to attend are Marguerite Stitt Church, representative from the 13th district; Mrs. Everett E. Dirksen, wife of the U. S. Senator; and Mrs. Anni Miller, chairman of the Women's division of the Cook County Central Republican committee.

Others on the invitation list include Senator Margaret Chase Smith of Maine, the 40 women delegates to the Republican national convention, the national committee women, wives of senators and congressmen, and wives of visiting cabinet members.

More Than 400 Visited X-Ray Unit in Antioch

A total of 418 Antioch residents visited the mobile x-ray unit of the Lake County TB association Tuesday.

The unit was parked on Main st. from 1 to 6 p.m.

Mrs. William Brook, chairman of the unit's appearance in Antioch, said results of the x-rays will be mailed to those who were tested.

On Wednesday afternoon the unit was in Lake Villa.

Venetian Village Auxiliary Assn. To Change Meeting Time in Sept.

By Marion Hammitt
At the June meeting of the Venetian Village Association Auxiliary, members voted to assemble for evening meetings beginning in September. Since so many of our ladies work during the day it was felt that attendance would be improved if the meetings began at 7:30 p.m.

The schedule will remain the same, a business meeting followed by refreshments, sociability and games. The corresponding secretary will see that cards are sent out informing all ladies of the change of meeting time.

Fewer members than usual were at the Saturday meeting of the Civic Association, probably because of the holiday or the deluge that hit just about meeting time. The trustees agreed to purchase a new squad car for our volunteer officers. The new vehicle should be in use in a week or so.

Lake Villa Girls Vacationing At Wisconsin Dells

By Mrs. Fred Bartlett
LAKE VILLA—Mrs. Elmer Monnier and seven young members of the Junior Sequoit club are vacationing at the Wisconsin Dells home of Howard Johnson, formerly of Lake Villa.

The group left Tuesday morning, and will return Saturday night.

Those on the trip are Judy Schick, Susan Rittenhouse, Pat Wal-lach, Cheryl Reidel, Roberta Majewski, Kathryn Sullivan, and Willette Monnier.

The Women's Circles of Lake Villa Methodist church will sponsor a "Country Store Sale" at the church July 20, starting at 10 a.m. There will be fruit, fancy work, aprons, a candy shop, snack bar, and bargain counter.

Cecile Blumenschein, Helen Fish, Mathilda Bartlett, Marie Hamlin, C. Paske, Bertha Fish, Georgia Avery, Lottie Barnstable, Gertrude Maleska, Elizabeth Anzinger and Mr. and Mrs. Herman Reimer held a picnic luncheon last Wednesday at the home of Mr. and Mrs. Shugart and Mr. and Mrs. Fred Brown of Harvard, in observance of the 50th wedding anniversary of the Shugarts. Mr. Reimer provided organ music while the group sang. The Browns and Shugarts were formerly residents of Grass Lake, Antioch.

Two qualified first aid teams from Boy Scout Troop 88 were on duty with the ambulance, at the carnival sponsored by the American Legion in Waukegan last Sunday and Monday.

Those who served were Gordon McGee, assistant scoutmaster, George Warchol, Mike McGee, and Ralph Schwartz who made up one team, and Robert Hammitt, scoutmaster, Mike Ciesleka, Bill Samuelson and Robert Hammitt, who comprised the other.

Each team saw duty for six hours each day, and assisted in a number of injury instances.

Explorer Post 72 of Gurnee did the honors on Friday and Saturday. These two units have worked together frequently to the mutual training and enjoyment of each.

A joint installation of officers for the American Legion and Auxiliary Post 1219, Lake Villa, will be held in the Venetian Village Civic hall at 8 p.m. on the evening of July 23. All are welcome to attend this interesting ceremony that will find Mrs. Helen Schmackels, the 10th District director of Grayslake one of the installing officials, along with Mrs. Barbara Chandler of Gurnee.

Refreshments will be served after the ritual.

On Sunday the Colbert family traveled to Madison, Wis., to attend an all-breed dog show. They entered their black cocker spaniel who gained second place for its breed.

Diana Colbert proved herself a wonderful handler by taking first place in Junior Showmanship. Cannot blame you for being just a bit proud, Diana.

At a similar show in Lake Geneva on Friday the little black cocker earned a major and 3 points.

Cerebral Palsy Group Has Camp

The United Cerebral Palsy unit of Lake County will conduct a camp for handicapped children at Adler School in Libertyville July 11-Aug. 16.

Mrs. John Mitchell, county chairman, said the camp will meet Monday and Tuesday of each week from 9 a.m. to 2 p.m.

Activities at the camp, open to handicapped children from 5-15, will be geared to the children's disabilities.

Anyone wishing to enroll a child should contact this area chairman, Mrs. Annette Lubkeman, Antioch 1319, or Mrs. Mitchell at Jackson 6-8381.

Star Ball to Aid Allendale School

Twin 61inch reflecting telescopes boosted by special lenses to magnify at least 200 times will be installed on the terrace of the former J. Ogden Armour estate in time for the Star Ball.

The ball, a gala supper dance, is sponsored by the Boys' Shelter Club of Allendale, for the benefit of underprivileged and dependent boys at

Allendale School for Boys, Lake Villa.

More than 500 guests are expected to take time out from their party to squint skyward at the moon, Saturn, or Jupiter.

Lindlay J. Burton, professor of mathematics and astronomy at Lake Forest College, will be on hand to explain the heavens.

It takes at least five years of extensive testing and costs at least a million dollars to put a new agricultural chemical on the market.

COMING SOON IN LIBERTYVILLE

FRONTIER DAYS

July 13-14-15-16

Pardner, if you ain't seen a Libertyville FRONTIER DAYS celebration, you ain't lived. It's the most biggest, bodacious, bonanza since the gold rush of '49. There ain't been more happenings in a wild, wooly Western weekend since the Earps & Doc Holiday gunned down Ike Clanton and his boys in the streets of Tombstone.

EVENTS

STARTING WEDNESDAY
EVENING 9 P.M.

July 13 . . . 9 p.m. TORCHLIGHT PARADE . . .

Watch the Vigilantes ride "Hi Prices" through Libertyville on a rail. After reaching Cook Park the Town Marshal will read an order of execution and Hi Prices will be hung in effigy.

. . . THURSDAY . . .

July 14 . . . 10 a.m. STAGE COACH ARRIVES . . .

Western Stage Coach will arrive and a directive will be read officially proclaiming Frontier Days open with fun and festivities to reign supreme.

July 14 . . . 2 p.m. WATERMELON EATING CONTEST . . .

Kids of all ages join in the fun . . . watermelon eating contest in Cook Park with Silver Dollars to be awarded as prizes for the winners.

July 14 . . . 7:30 p.m. FRONTIER QUEEN CONTEST

Jack Hilton, WGN-TV's star of "Spin Time" will emcee the contest as a bevy of western beauties vie for the title "Miss Frontier Days".

July 14 . . . 8:30 p.m. BEARD CONTEST . . .

Judges will select winners in various categories from our be-whiskered brethren. Contest open to all men sporting a cultivation.

. . . FRIDAY . . .

July 15 . . . Noon INDIAN CEREMONIAL DANCES . . .

Various tribes will be represented as members of the American Indian Center perform ceremonial dances. Crafts and Indian lore respective of their individual tribes will be on display in Cook Park.

July 15 . . . 4 p.m. MILKING CONTEST . . .

West and eastside teams vie for prizes in a milking contest at Cook Park. Live cows . . . cold hands . . . anything can happen.

July 15 . . . 8 p.m. OLDTIME BOXING BOUTS . . .

3 bouts governed by the London Prize Fight rules featuring the stellar attraction for the evening . . . Slim "the Bearded Bomber" Bracher and Earl "Tiger" Lund. Weighing 275 lbs. apiece they will vie for the Overweight Championship Of The World. Frank Gilmer referee. Bouts in Cook Park.

July 15 . . . 9 p.m. OLD FASHIONED AUCTION . . .

Brand new items from Libertyville merchants will go up for auction in Cook Park . . . Values galore, don't miss it.

. . . SATURDAY . . .

July 16 . . . 10 a.m. ANTIQUE CAR SHOW . . .

A host of antique cars will be shown on Church Street downtown Libertyville. Judges will award prizes to winners.

July 16 . . . 2 p.m. GIANT PARADE DOWNTOWN . . .

Bands, beauties, floats, marchers, music, covered wagons, stagecoach, horses, oxen, you name it . . . over one hundred entries. This is one of the most colorful spectacles witnessed in the entire mid-west. Milwaukee Ave., Downtown Libertyville.

July 16 . . . 4 p.m. FAST DRAW CONTEST . . .

See a Famous team of fast draw artists who will compete with and demonstrate for the local "guns". Don't miss the Montana Walkdown. Open to all would be adult gunslingers. Prizes to be awarded.

July 16 . . . 7:30 p.m. til 11:30 p.m. STREET DANCE . . .

Climax of Frontier Days, orchestra and dance on Church St. . . Thousands of \$\$\$\$ in prizes given away . . . to be eligible for these prizes come into Libertyville now and get your tickets FREE in any participating store. Not a thing to buy or pay.

DEATH NOTICES

GEORGE J. JACOBSEN

Funeral services for George J. Jacobsen, 71, who died at North Sand Lake near Spooner, Wis., last Wednesday, were held Friday afternoon at Strang funeral home, Antioch. Burial was in Grass Lake cemetery.

Mr. Jacobsen was born Sept. 7, 1888 in San Francisco, moving to Chicago as a child and to the Antioch area in 1936. He had been making his home at Indian Point near here.

Mr. and Mrs. Jacobsen had been spending the summer at North Sand Lake.

He married Emily Tyrdik in Chicago. He was a member of Typographical union no. 16 in Chicago and retired in 1954 as a compositor with the Keough Bros. Printing Co., Chicago.

Moody Institute Film

To Be Shown on Sunday

The Moody Institute of Science film, "God of Creation," will be shown at the Antioch Evangelical Free church at 7 p.m. Sunday.

One of the early Moody films, it is still a favorite, according to Pastor Herbert Cottrell. The film seeks to show the power and beauty of growing things.

The Antioch Free Church meets in Emmons grade school, Rte. 59 and Beach Grove rd. The film showing is open to the public.

Sibley Family Reunion At Bluff Lake Monday

Out of town guests from as far away as Texas attended a family dinner at the home of Mr. and Mrs. N. E. Sibley at Bluff Lake Monday.

Those present included Mr. and Mrs. Albert J. Tiffany and family, Geneseo, Ill.; Homer Tiffany, Dallas; Mr. and Mrs. Robert Burke, Wadsworth; Mr. and Mrs. Charles Tiffany, Waukegan, and Mrs. Richard Carter and family, Dayton, Ohio.

Also present were Mary Lou Sibley, Morton Grove; Mr. and Mrs. Walter Cunningham, and Mr. and Mrs. Clarence Krampert, Waukegan.

Mrs. Gaston's Sister Injured in Tree Fall

The sister of Mrs. Margaret Gaston, N. Main st., Mrs. Elizabeth Behler of Woodstock, will undergo surgery this week for a series of bone fractures.

Mrs. Behler was picking cherries on a farm near Woodstock June 29 when the ladder on which she was standing was blown down by a strong gust of wind.

One of her legs was broken in four places. She also suffered a broken wrist.

FUN AT THE CARNIVAL. Here are just a few of the children and some adults who enjoyed a hayride during the carnival held Saturday and Sunday at the Holy Name church grounds in Wilmet. The gym-meeting room of the church and school is shown in the background. The carnival was held on the parking lot at the rear of the building. The "hay wagon" shown here was pulled by a tractor through a field near the parking lot. Perfect weather Saturday and Sunday helped draw large crowds to the event. (Lake Region News photo)

July 9 Election To Decide Who To Run Village

PADDOCK LAKE, Wis.—It was a case of "who will get your vote" this week as people in the Paddock Lake village community argued the merits of candidates for offices nominated at a recent caucus.

Voters will go to the polls Saturday, July 9, to decide which of those nominated will serve in the first year or two of the village's existence.

Men and women of the community decided several weeks to incor-

License Suspended

SPRINGFIELD—William J. Layton of Bluff Lake, Antioch, has had his driver's license suspended, the driver's license division of the Illinois secretary of state's office announced.

James S. Hill of box 181, Lake Villa, has been issued a probationary driving permit.

porate as a village by a margin of 71 per cent of those voting. And most of those who were eligible to cast a ballot did so.

Polls will be open July 9 at Central high school in Paddock Lake from 9 a.m. to 5:30 p.m.

Candidates were nominated at a caucus held in the high school Saturday afternoon, June 18.

They include:

Donald Klapper of the Paddock Lake Lumber Co., and Eugene Doyle, a Kenosha county highway department employee, for president. Thomas Tyrkala and William Remington for treasurer; Alvin C. Paddock and William Glover, supervisor; Tony Palumbo (unopposed), justice of the peace; Earl Torrey and James Erickson, assessors.

Mrs. Frieda Webb and Carson L. Wilkinson, clerk; Phillip Dunek and Hugh Conway, constable.

Nominated for trustees were William Keefe, Aussie Edwards, Norbert Adams, Otto Feldman, Ralph Rau and David Meredith for terms expiring on April 18, 1961 (three to be elected.)

Nominated for trustees for terms ending on April 17, 1962 were Lester Hunter, Edward Babros, Robert Hoffman, C. H. French, George Kulesh and Ed Schmid (three to be elected.)

Red Leaf Disease In Oats 'Shows'

By Paul G. Jaeger

Kenosha Co. Agricultural Agent
Kenosha, Wis.—The red leaf disease in oats showed up in Kenosha county last week.

This virus disease, which is transmitted by aphids, was very prevalent in Kenosha county and many parts of Wisconsin in 1959. Leaves of small grain plants, and particularly oats, turn a wine red color and then later brownish yellow.

Usually somewhat circular areas from a few feet to 20 or 30 feet in diameter are seen.

Oat plants in these affected areas usually have light kernels and the yield is down considerably.

The red leaf virus disease is controlled by spraying the aphids which transmit the disease.

When the small grain is headed out, it is too late to do further spraying, according to the University of Wisconsin plant pathology department.

However, oats which were seeded late still could be protected by spraying, according to Jaeger. Jaeger suggests checking the later plantings for evidence of aphids.

If a considerable number of aphids are found, spray with a pound of malathion per acre, or if equipped to handle it, parathion at 1/4 lb. per acre may be used.

Illinois farmers plan to grow a record share of the nation's corn in 1960. They plan to plant 10,362,000 acres this year, which would be 12.1 per cent of the U. S. total acreage of corn. Last year Illinois farmers planted 11.8 per cent of the nation's corn.

Wallace Bergstrom, Thon Neuman, Joseph F. Karasek.

Louis Meglio, Sr., Olga Lilliedahl, Frank Splichal, William M. Dixon, Arthur Hensen, Leo Johnson, John Brandt, John A. Kopecky, and Mrs. J. Ryan.

Newport and Millburn 4-H Clubs Among Best

Newport Champions 4-H club, one of two new such organizations in Lake county this year, has 23 members and the Millburn Hornets 4-H club has 28 to rank among the top four in total enrollments in the county.

In fact the Millburn club is tied for third place with 28 members with the Gilmer Pacers club among clubs having the most members. The Grayslake club has 108 members and the Flynn Valley and North Prairie clubs with 39 each are tied for second.

Mr. and Mrs. Frank DeYoung are Millburn club leaders and leaders of the Newport Champions group are Wilson King and Mrs. Eugene Edmonds.

Enrollment in 15 agricultural 4-H clubs in Lake county hit a new

high in 1960 with 400 different members enrolled throughout the county.

Anyone desiring to join a 4-H club next year may do so by contacting Lake county farm adviser Ray T. Nicholas, or any club member.

NEW BELL CHIME

tells you to
answer the phone

Now a pleasant, melodic chime will tell you your phone is ringing—no matter where you are in your home.

You can have the new Bell Chime installed anywhere—living room, or the family room. It comes in velvety gold or soft ivory.

A handy switch makes it a loud bell when you're outside on the patio. Or you can set

it for the familiar, regular telephone ring.

The cost is low. And, maintenance is free. Call your Service Representative at the Bell Telephone business office and ask about the Bell Chime.

Better yet, stop in and have her show it to you. Or if an installer-repairman visits your home, ask to see it.

Cong. Flynn Announces Exam for 3 Academies

WASHINGTON, D. C.—(Special)—Congressman Gerald T. Flynn invites prospective high school graduates and all other interested young men who live in the 1st District of Wisconsin to compete for his appointments to the United States Military, Naval and Air Force academies.

Congressman Flynn will make his appointments on the basis of merit. Young men interested should:

Write a letter of application to Congressman Flynn, immediately, at Room 1018, New House Office Building, Washington 25, D. C.

The letter should include the applicant's full name, his legal address, his date of birth and the names and address of his parents.

Send letters of reference from substantial citizens in the applicant's community.

The qualifying competitive examination will be held on July 11, at various points in the first district.

Suspend License

The drivers license of an Antioch man, William J. Layton, Bluff Lake rd., has been suspended for having three violations, according to Secretary of State Charles F. Carpenter.

CUB PACK 300

Due to inclement weather, Cub Pack 300 held its monthly pack meeting recently in St. Peter's School hall instead of at the home of Mr. and Mrs. Clair Elliott as originally planned.

Cub Scouts came in various costumes as circus characters, and three of the dens had circus skits.

Mrs. Stonis reported that the bake sale held June 18 was very successful. Much credit for the success of the event goes to Mrs. Sedvec, who, though ill, carried on as chairman of the event.

Robert Taylor was introduced to the group as neighborhood commissioner.

Signatures of pack members were placed on a memorial scroll to be placed in a memorial statue to be built in Washington, D. C., commemorating 50 years of scouting.

Den No. 3, headed by Mrs. Diemer, won the attendance award.

Date of the next pack meeting has been changed to Saturday, July 23. The fun will start at 2:30 p.m. in a wooded grove at the Jack Wells home, four miles west of Route 59, on Route 173.

Games, field events, etc. will be held, and refreshments will be served, with the actual pack meeting starting at 7 p.m.

Registration cards were presented to Mrs. R. Lucas, Mrs. Donald Gaa and Mrs. Irene Waring as den mothers, and to Stanley D. Colburn, Clair W. Elliott, and Richard C. Hill as committeemen.

Registration cards also were given to Robert Lorenz, Don Dill, John Desbiens, Raymond Gudgeon, Gregory Sherman, Randall Zeelen and Edward Abderholden III.

The pack enjoyed a tour through the Benedictine Monastery recently as well as a picnic lunch at the monastery, followed by games.

Girl Scouts and Brownies of all the troops in the Antioch Neighborhood took part in play day Wednesday, June 29, at Fox River park.

Games were under the direction of Mrs. Mary Bruski and the girls enjoyed an alphabet nature hunt, a water balloon contest and a fire-building contest.

The girls were divided into patrols and each patrol was given a can of water, three matches and napkins and told that the first patrol to get its water boiling would be the winner.

After scurrying to find tinder and dry downed wood, Patrol No. 2 managed to bring its water to a boil after starting its fire with one match.

Girls and leaders had lunch in the park and the group broke about 2 p.m., tired, but happy.

St. Ignatius Church Meeting Dates Listed

Meetings in July for St. Ignatius' Episcopal church members and officers include that of the parish vestry at 8 p.m. Thursday, July 14 in the Parish hall and two meetings of the Women's auxiliary.

An afternoon meeting is planned for 1:30 Wednesday, July 13, and an evening session is scheduled for Wednesday, July 27, at 8 o'clock. Places for the auxiliary sessions will be announced.

3,800 Foot Gas Main Installed Near Here

Northern Illinois Gas Company has completed a 3,800 foot, 6 inch main extension along Grass Lake road from Route 59 to Chain-O-Lakes subdivision near Antioch.

Approximately 7,000 feet of 2-inch main was installed in the subdivision to serve customers with natural gas.

Later this summer, according to J. W. Craig, district superintendent, the main will be extended farther west on Grass Lake road to serve customers in the Farrin's Grass Lake Subdivision.

Name Ingleside Man To Steel Firm Post

CHICAGO—Donald E. Weishaar has been appointed traffic manager for Caine Steel company. It was announced June 30 by William S. Harms, vice president.

Weishaar of Ingleside, was formerly assistant to the director of transportation, Illinois Agricultural association. Prior to this position, he served as traffic manager for the H. C. Knoke company, Chicago.

A member of the alumni association of the College of Advanced Traffic, Weishaar attended the University of Southern Illinois at Carbondale.

Caine Steel, founded in 1922, is one of the largest independent steel service firms in the United States.

Antioch Girls Visit Wisconsin U. Campus

MADISON, Wis.—Two students from Antioch, Illinois, visited the University of Wisconsin campus recently to register for UW studies to be started with the opening of the University's school year in September.

They were taking advantage of the UW's summer advance registration-orientation program for new freshmen.

The program was established to help young people make their transition into University life easier both for themselves and their parents.

Antioch students who visited the

UW campus are Sharon Berke, daughter of Dr. and Mrs. A. N. Berke, 465 Orchard Street; and Helen A. Herman, daughter of Mrs. A. J. Herman of Route 4.

Grain sorghum hybrids are getting better all the time. Yields soared to 115 bushels an acre last season in University of Illinois trials.

ANNOUNCEMENTS

CARD OF THANKS

I wish to thank all my relatives and friends for their many cards, letters, magazines and flowers sent to me, while in the Sanatorium in Waukegan. Also wish to thank the Rev. Draper, of York House Methodist Church, the Rev. Robert Eldridge of St. Paul's Episcopal Church of McHenry, and the Rev. Fish of the Episcopal Church of Lake Villa, for their visits.

LEGAL

AN ORDINANCE, SETTING FORTH THE BUDGET AND MAKING APPROPRIATIONS OF SUMS OF MONEY FOR ALL OF THE NECESSARY EXPENDITURES OF THE "FIRST FIRE PROTECTION DISTRICT OF ANTIOCH TOWNSHIP", LAKE COUNTY, ILLINOIS, FOR CORPORATE PURPOSES FOR THE FISCAL YEAR BEGINNING MAY 1, 1960 AND ENDING APRIL 30, 1961.

WHEREAS, there has been prepared in tentative form a budget and appropriation ordinance for the

First Fire Protection District of Antioch Township, Lake County, Illinois, and the Secretary of said Fire Protection District has made the tentative budget and appropriation ordinance available to public inspection for at least one week prior to final action thereupon; AND WHEREAS, a public hearing was held as to such budget and appropriation ordinance on the 28th day of June, A. D. 1960 at 8:00 o'clock P. M., Central Daylight Saving Time, notice of which was given at least one week prior thereto by publication in the Antioch News, a newspaper published in said Fire Protection District, and all other legal requirements have been complied with;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE FIRST FIRE PROTECTION DISTRICT OF ANTIOCH TOWNSHIP:

Section 1. That the fiscal year of this Fire Protection District be and the same is hereby fixed and declared to be from May 1, 1960 to April 30, 1961.

Section 2. That the following budget, containing an estimate of the cash expected to be received by said Fire Protection District during such fiscal year from all sources, an estimate of the expenditures contemplated for such fiscal year and a statement of the estimated cash expected to be on hand at the end of such year, be and the same is hereby adopted as the budget of said Fire Protection District for the said fiscal year and shall be in full force and effect from and after this date:

Estimated Receipts	
1. Cash Balance, beginning of year	\$ 1,820.51
2. Estimated amount of cash that will be received during this fiscal year from all sources	9,000.00
Total Estimated Receipts	\$10,820.51
Total of Estimated Expenditures for Fiscal Year	8,500.00

Estimated cash to be on hand at end of such year

Section 3. That the following sums of money be and the same are hereby appropriated for the corporate purposes of said First Fire Protection District, herein specified, for the fiscal year ending April 30, 1961.

1. ADMINISTRATION EXPENSE FUND:	
(a) For stationery, books, records, office supplies, printing, postage and miscellaneous office expense	25.00
(b) For publication of legal notices	100.00
(c) For Telephone answering service	300.00
2. LEGAL EXPENSE FUND	
(a) For legal services and expenses	200.00
3. FIRE PROTECTION FUND	
(a) For purchase of fire protection equipment and apparatus	5,000.00
4. FIRE EQUIPMENT MAINTENANCE FUND	
(a) For repair, care, support and maintenance of fire protection equipment	500.00
(b) For gas, oil and supplies for fire equipment	50.00
5. SALARY FUND	
(a) For compensation to firemen and fire chief	3,000.00
(b) For trustees' compensation	100.00
6. RENT FUND	
For lease of fire protection equipment and storage thereof from the Village of Antioch, pursuant to contract	1,200.00
7. INSURANCE FUND	
For insurance on equipment	400.00
8. CONTINGENT FUND	
For contingent, miscellaneous and general unforeseen expenses, not included in any item above	300.00

TOTAL \$11,175.00
Section 4. That the unexpended balance of any item or items of any appropriation made by this ordinance may be expended in making up any deficiency in any item or items in the same general appropriation made by this ordinance.

Section 5. That should any clause, sentence, paragraph or a part of this ordinance be declared by a court of competent jurisdiction to be invalid, such decision shall not affect the validity of the ordinance as a whole or any part thereof other than the part so declared to be invalid.

Section 6. This ordinance shall be in full force and effect after its passage, approval and publication, in accordance with the law.

(signed) C. CROWLEY
President

Attest:

Irving B. Elms, Secretary

Amateur Drivers Roar at Track In Waukegan

Amateur drivers had a night all their own at the Waukegan Speedway July 4, and they put on a show of speed and thrills that will long be remembered for the over 2,000 fans in attendance.

Track manager Mike Kaishian and his brother, promoter John Kaishian, termed the show a success and promised the fans a return of the jolopies again some time this summer.

Winner of the 20 lap main event was Ed Jones of Waukegan.

Fastest qualifier for the night was Ed Pensaleck of Antioch when he turned 41.53 mph to set the record for strictly stock cars. Pensaleck, running his stock 1951 Chevy got hung up in the feature in an accident and wound up in an infield ditch.

Jones set the 20 lap record at 41.28 mph in copping the feature. Other results: Feature: 20 laps: 1. Jones; 2. Emil Ladewig, Waukegan; 3. Jim Curtowski, Mundelein; 4. Barry May, Waukegan; 5. Herb Demron, Lake Villa; 6. Tom Conn, Waukegan.

(Cars: Jones '53 Studebaker; Ladewig, '51 Mercury; Curtowski, '46 Ford; Barry May, '37 Ford; Demron, '51 Plymouth; Conn, '50 Plymouth. Speed 41.28 mph.

Semi: 12 Laps: Dan Lubkeman, Bristol, Wis., '50 Mercury; 2. Chuck Tenza, Lake Zurich, '47 Pontiac; 3. Sonny Miller, Gurnee, '51 Chevy;

Golfview Wins The First Round

By Bill Ferris

The first round has finally come to an end and the winning team with a 7 win and 1 loss record was Ronnie Vos's Golfview Badger squad.

Pat's Lounge who earlier had defeated the Badgers blew a 6 to 5 decision to Jim's Service and lost a thriller to Thom-Eric to end up with a 6 and 2 record.

Last year's champs, the Builders, under the leadership of Jim Casey Erickson also ended up with a 6 and 2 mark, losing one game to the Badgers and the other to State Farm who enjoyed their only win of the round with Casey on the hill.

FINAL 1ST ROUND STANDINGS:

	Won	Lost
Golfview	7	1
Pat's Lounge	6	2
Thom-Eric	6	2
Jim's Service	5	3
Joe's Tap	3	5
Fox Lake Hills	3	5
Fox Lake Merchants	3	5
Sterbenz Garage	2	6
State Farm	1	7

Second Round Schedule

Thursday, July 7:

Sterbenz vs. Pat's Lounge

Jim's Service vs. State Farm

Friday, July 8:

State Farm vs. Joe's Tap

Thom-Eric vs. Sterbenz

Monday, July 11: to make up for July 1:

Fox Lake Hills vs. Thom-Eric

Sterbenz vs. Joe's Tap

Tuesday, July 12:

Fox Lake Hills vs. State Farm

Pat's Lounge vs. Jim's Service

Wednesday, July 13:

Golfview vs. Joe's Tap

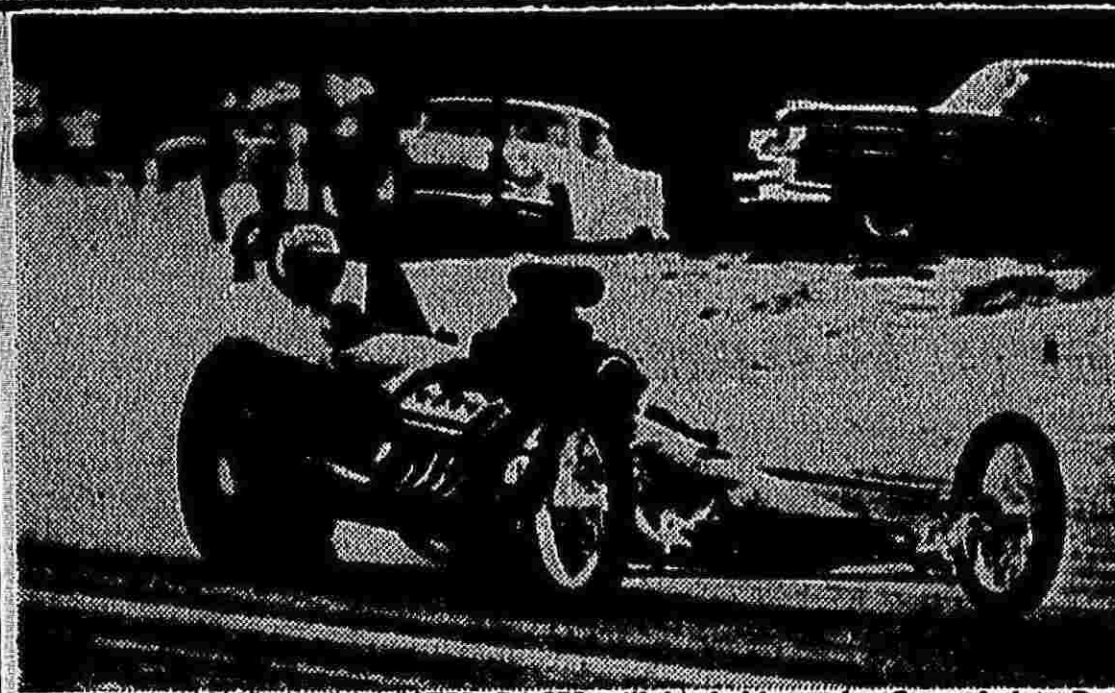

Sterbenz vs. Merchants.

4. Phil Mitchell, Waukegan, '46 Ford.

Heats: 8 Laps: 1st, Swede Johnson, Waukegan, '49 Dodge; 2nd, Don Miller, Waukegan, '50 Hudson; 3rd, Emil Ladewig, Waukegan, '51 Mercury; 4th Ed Jones, Waukegan, '53 Studebaker.

Find Upturned Boat

A boat found upside-down and adrift on Lake Marie Sunday caused some consternation for Chain-O-Lakes Water Patrol members. The craft, a rental boat, was finally traced to Sunset Lodge on Grass Lake. The lodge reported no one missing, so a search for the boat's occupants was called off.

CHAMPIONSHIP DRAGSTER RACES will be held on the Great Lakes Dragway near Union Grove, Wis., starting Friday afternoon, July 8, and continuing through Sunday, July 10. These races will be for the 1960 title with 300 entries expected from throughout the nation. Many entries have arrived from past and present world-record holders. Shown here is a machine on the track located on U.S. highway 45 about 12 miles north of the Illinois-Wisconsin state line. The track or drag strip is a quarter mile in length.

'Drag Races' On July 8-10 Near Antioch

UNION GROVE, Wis.—The Great Lakes Dragway near Union Grove, Wis., will be the scene of the 1960 national championship drag races July 8-10 with 300 machines expected to take part.

The largest and fastest of drag race machines ever assembled in the Midwest is expected with 150 entries received already.

Many of those already arrived are from past and present world-record holders, giving indication that by the time the smoke and rubber clears on Sunday, July 10, there may be some changes in national championship ratings.

IN THE POWERFUL A-Fuel Dragster division, the machines to beat, will be the world famous Garlits-Malone "Swamp Rat" from Tampa, Fla., and the world speed-record holder, "The Chizler," piloted by Chris Karamesines from Chicago.

The Garlits-Malone machine holds the world's elapsed time record of 8.29 seconds for a quarter mile run, starting from a stopped position.

Karamesines, who holds the present track record at Union Grove of 174.39 mph, and the Garlits-Malone machines are the only Dragsters in the world ever to break the 200 mph barrier in a quarter mile run.

Possibly the most famous and talked of Dragster of all time is the one and only "Green Monster", powered by a 3000 hp Allison aircraft engine. For some years it reigned as the world's record holder.

NOW IT RANKS second only to Tommy Ivo with his twin-engine Buick Dragster, which recently turned 180 mph.

Time trials will be Friday afternoon and evening, July 8, with speed runs in all classes Saturday afternoon. Stock cars will make their trophy runs Saturday evening, with Hot Car speed runs between classes. Sunday afternoon and evening will be trophy runs of all "Hot Machine" classes, including the top eliminator runs of the 12 fastest machines.

The drag strip is located on U. S. highway 45 at Union Grove, Wis., 20 miles south of Milwaukee and 12 miles north of the Illinois-Wisconsin line.

Invite Golfers, Join League

All golfers are invited to join Antioch's informal 9-hole league that plays every Thursday.

To date about 15 area men are participating in the weekly meets at Spring Valley Country Club at Salem.

Handicaps are worked out for

each player, and after the regular nine holes of golf many remain for dinner. Prizes are also awarded each week. Anyone interested is asked to be on hand at the club Thursday at 6 p.m.
